Notes from the Allston Burr Resident Dean, Monique Roy
(pforzheimerhousedean@fas.harvard.edu):
You can also reach Abby at pforz@fas.harvard.edu

UPCOMING ACADEMIC DEADLINES:
Last day to Add/Drop or change grading status: (Fifth Monday) Tues., Oct 9
Last day with Withdraw from a course: (Seventh Monday) Mon., Oct 22
APPOINTMENTS WITH ME:
Have something you’d like to discuss? It can be academic or otherwise! Please follow this link to sign up for 30min appointment slots. If these times don’t work for you, just email me and we will set something else up. Also - Abby is ordinarily in from 9am-5pm Mon-Fri, and she always knows how to reach me.

CROSS-REGISTRATION:
Cross-registration requests (including for MIT courses) can be handled online through my.harvard. Instructions are here. October 9th is the cross-registration deadline BUT you also need to register by the registration deadline for the institution in question. Remember: you need to petition separately if you'd like to receive concentration credit for cross-registered courses; paper forms for that are available here and outside my office. Finally, before you decide to cross-register, make sure to familiarize yourself with the cross-registration policies in the Student Handbook, here. For instance, new this year, you may only count eight credits from cross-registered courses toward your 128 required credits for graduation but there are several exceptions:
- If you have already taken more than eight xreg credits, the excess credits will not be deducted from your total
- There is no limit to the number of credits that may be counted from xreg MIT classes
- Courses that are approved for concentration credit do not count against the eight-credit limit.
Let me or Abby know if you have questions!

SIMULTANEOUS ENROLLMENT:
In most cases, it is not possible to enroll in two classes that overlap in meeting times (except for CS 50). If you are interested in learning about ad board petitions for other simultaneously enrolled courses, please visit this form. Also, you can see the Handbook guidelines here.

GEN ED QUESTIONS?
The Gen Ed Program has a useful website here to address questions about the revamped requirements.

Climb Mount Monadnock with your fellow Pfohomiess!
On Saturday, October 13, we welcome back one of Pfoho’s most beloved annual traditions – a group hike to the top of Mt Monadnock (a mountain in New Hampshire), timed so that you all can experience the fall foliage season of New England in all its brilliant colors. Our plan is to leave in the morning by bus at around 8am (after an early breakfast), arrive in Jaffrey, NH around 9:30am, and climb to the top (fortified with lots of water, hot chocolate, and trail mix). The climb is roughly two miles, and most people take 90-120 minutes to reach the summit. There is no hurry, we will take breaks, and we will naturally separate into smaller groups climbing at a pace that is comfortable for everyone. Sign up on this form by Sunday October 7 at midnight.

Pfoho Music-Sharing Dinner - Wednesday, October 3rd, 6-7 PM, Moors 3
Come share your favorite classical, folk, or jazz recordings with fellow Pfoho residents in a low-key dinner setting. Bring your phone or other music-sharing device along with dinner from the dining hall. Questions, contact Daniel Frim, danielfrim@g.harvard.edu
