Notes from the Allston Burr Assistant Dean, Monique Roy,  
pforzheimerhousedeandean@fas.harvard.edu:

Dear All,

Welcome back! I hope you are all having a great first day of classes! Here are some key reminders for the start of term:
ONLINE CHECK-IN:
The deadline for online check-in is today, January 28th at 11:59pm—please be sure to sign in to my.harvard and “check in” online. The fee for late check-in is $50. Please take a moment to review the personal information (permanent addresses and emergency contacts) that you have listed on your my.harvard. It’s important for us to have up-to-date information for you!

ALL-HOUSE SPRING ADVISING NIGHT:
Thursday, Jan. 31st from 8-10pm in the Pfoho dining hall!

COURSE REGISTRATION DEADLINE:
You are required to enroll in your courses on my.harvard by Friday, February 1st (the official deadline is 11:59PM, but I urge you to submit earlier than 5pm so that HUIT and the Registrar’s Office can help with any problems you might encounter). Please email my.harvard_info@harvard.edu or ithelp@harvard.edu if you have any problems with my.harvard.

Remember that if you needed to ask for instructor permission for a course, you still need to enroll in it after the permission is approved. You aren’t enrolled automatically once you get permission.

"If you are a second semester senior, your Senior Record Check is also due by February 1st. Please reach out to pforz@fas.harvard.edu if you have questions about that."

CROSS-REGISTRATION:
Cross-registration requests (including for MIT courses) can be handled online through my.harvard. Instructions are here. Feb. 25th is the cross-registration deadline BUT you also need to register by the registration deadline for the institution in question.

Remember: you need to petition separately if you’d like to receive concentration credit for cross-registered courses; paper forms for that are available here and outside my office. Finally, before you decide to cross-register, make sure to familiarize yourself with the cross-registration policies in the Student Handbook, here. For instance, new this year, you may only count eight credits from cross-registered courses toward your 128 required credits for graduation but there are several exceptions:

- If you have already taken more than eight xreg credits, the excess credits will not be deducted from your total
- There is no limit to the number of credits that may be counted from xreg MIT classes
- Courses that are approved for concentration credit do not count against the eight-credit limit.

Let me know if you have questions!

SIMULTANEOUS ENROLLMENT:
In most cases, it is not possible to enroll in two classes that overlap in meeting times (except for CS50). If you are interested in learning about Ad Board petitions for other simultaneously enrolled courses, you can see the guidelines here and we have a google form that you will need to complete here. Email me to let me know if you are planning to do this.

GEN ED QUESTIONS?
The Gen Ed Program has a useful website here to address questions about the revamped requirements. They are hosting expanded drop-in office hours this week in the Gen Ed office (Smith Campus Center, 4th floor) between 1-4pm from Monday 1/28 through Friday 2/1. And there is an online form for questions, here.

UPCOMING ACADEMIC DEADLINES:
Consider adding these key dates to your calendars as a reminder.
Last day to Add/Drop or change grading status (Fifth “Monday”): Feb. 25th
Last day with Withdraw from a course (Seventh Monday): Mon., March 11th

WANT TO MEET WITH MONIQUE?
You can check my office hours and sign up for an appointment on my google calendar at http://bit.ly/MR_appointments.
If these times don’t work for you, just email me and we will set something else up outside those times. Regina will normally be in from 9-5 Mon-Fri - she is out of the office this week but will be back on Monday, February 4th.

See you all soon!
- Monique

**Interhouse Transfer Applications** for Fall Term 2019, Round 1, are due by **Monday, February 11th**.

Info and applications are available from the the DSO site here: [https://osl.fas.harvard.edu/interhouse-transfer](https://osl.fas.harvard.edu/interhouse-transfer).

To access the application, click on the Residential Portal at the upper right corner. Log in with ID & PIN and navigate to Undergraduate Housing Forms. Round one is a blind lottery. Your application will be given a random lottery number. When your number comes up, the system will check to see if there’s space one by one in the Houses you’ve listed in preference order. There are caps IN and caps OUT of each House in order to maintain the housing randomization process as a whole. Students at a minimum must be in their 2nd term of residency in their assigned House this spring in order to apply to transfer to another House. Any approved inter-house moves will take place at the start of the fall term 2019-20. If the application is successful, you may not remain in your current House. Questions, feel free to stop by Sue’s office or email at swatts@fas.harvard.edu.
