Our annual Laser Tag Tournament Battle for the Bear is making its comeback this Friday (the 26th) in the DHall @ 8:30pm. If you would like to have your name etched forever in PfoHo history, please sign yourself or your team up for the tournament here by Thursday at noon. Here’s some info people often ask for:
• Your team can have up to 5 people. Only 1 person has to be from PfoHo (or a recent lottery-winning Pfreshman).
• The time when the tournament ends will depend on how many teams we have, but we will start at 8:30pm sharp in the DHall.
• Individual games will be 5 minutes long with unlimited life and ammunition.
• We will have a computer system that tracks individual performance, calculates scores automatically, and projects it on the screen in the DHall.
• I'm currently planning a single-elimination tournament, but if numbers are right, we could do double elimination. The winning team will have its name engraved onto our trophy "Prestige the Bear".
• You are more than welcome to spectate (it can be tons of fun).
• Yes, if we end early enough I have no problem letting people play extra rounds just for fun, but that all depends on when we finish the final round.
• If you are still in Pfortnite playing/watching laser tag is a safe zone so no assassinations.
