Policy Highlights (refer to http://pfoho.harvard.edu/Parties for complete details)

- Reservations for the Igloo will work on a first-come-first-served basis.
- There must be at least two Pfoho hosts for every event. Hosts are responsible for being present during the event and supervising cleanup at the end.
- Events that are advertised outside of Harvard, charge admission, or are sponsored/co-sponsored by external or unrecognized student organizations are not permitted.

Alcohol and Help-Seeking Policies:

  - The legal drinking age in Massachusetts is 21. It is a violation of Massachusetts law for anyone under 21 years of age to possess alcohol and for anyone of legal drinking age to provide alcohol to someone under 21 years of age. Violators will be subject to College sanctions and state law.
  - You are responsible for monitoring the conduct of your guests. Party hosts are responsible for guests and for their behavior, including physical damage to the room and the surrounding areas.
  - Disciplinary action will not be taken against those who seek or receive medical help related to alcohol consumption; the violation of other College rules (for example: damage to property) will be taken into account, however.

- Maximum capacity for the Igloo is 49 people.
- Igloo doors will unlock 1 hour prior to the start of a reservation, and lock one hour after the end of a reservation.

How to Reserve the Igloo

- Check availability on the Party Calendar (http://pfoho.harvard.edu/Parties) and then email the Academic Coordinator at pforz@fas.harvard.edu. Once the event is approved by the Office of the Allston Burr Resident Dean of Pforzheimer House, your reservation will be confirmed.
- You will need to meet with the Tutor-On-Call to go over COVID, alcohol, and party-hosting policies and the responsibilities of the hosts.
- Meet with the Office of the ABRD and submit the reservation form (and if the event is on a weekend, the appropriate deposit).
  - Parties of 0-49 people = $100 deposit.
    - Deposits may be made in cash or check made out to Pforzheimer House

Hosts must have completed the above reservation process by 5pm on Thursday before an event held Friday-Monday, or before 5pm the business day before an event held Tuesday-Thursday.

After Your Event is Over

- A cleaning checklist is provided on the second page of this packet, which will help you ensure that you are leaving the room in the same condition in which you found it. Staff will check the room the day after the event.
- Pending confirmation from the Building Manager, your deposit will be returned to you. If the space has not been cleaned or if there is any damage to the Igloo you will need to meet with the ABRD and the Building Manager. This may result in loss of deposit, additional term-billed fees, and/or disciplinary action.

CLEANING CHECKLIST

Please see Mario for questions or trash bags, etc. on a weekday in advance of your event.

*The Igloo must be cleaned as soon as the event is over.*

**Please Note:** Although the Igloo door will lock one hour after the end of the reservation, that does not mean your clean-up is restricted to that time-frame. If you have been locked out of the room before cleaning is complete, ask the security guard for access.

- Must be found in the same condition as when you entered.
- Floors are swept and mopped.
- Sinks and surfaces are wiped down and clean.
- Trash and recycling are in the appropriate trash bins.
- Stackable, green armless chairs are put away in closet (movie screenings).
- All food and drinks are properly disposed of and/or returned to fridge.
- Projector screen is closed, sound system and lights are turned off.

LARGE EVENT PLANNING TIPS

- If alcohol is served, food and non-alcoholic beverages must also be served. Don't forget about DAPAgants.
- Safe alcohol service is a hard job. SES teams are available to provide service.
  [http://cqh.harvard.edu/bartenders-hire](http://cqh.harvard.edu/bartenders-hire)
- You must have at least two hosts who are Pfoho residents, and it is good practice to have at least one host for every 25 people.
- If you will be serving alcohol, a reasonable number of hosts (at least half, preferably more) should be 21+.
- Things to think about:
  - Crowd Control—what will you do if more people come than the capacity of your space?
  - Invitations and Communication—how will invites be sent out? How will guests learn about the party?
  - Alcohol service—how will the bar be managed?
  - Food planning for a large party—how much do you need?

TIPS TO MINIMIZE THE ENVIRONMENTAL IMPACT OF YOUR EVENT

- Recycle all cans and bottles (i.e. plastic, aluminum, and glass) and SOLO cups.
- Remember to empty all containers and leave the caps off (but still recycle the caps).
- Encourage attendees to bring their own cup or mug. Alternatively, try to have people just use one cup, and have a marker so people can label their cups.
- Strategically place bins or bags for collection. It usually helps to have trash and recycling next to each other, but clearly labeled (even with samples of what goes in) to avoid communication and save you time sorting later.
- Look for recycled content plates, napkins, and cups. When possible, buy local.
- Buy items in bulk rather than individually wrapped.
- Serve finger food - pre-sliced fruit, cake, etc. so people can just grab and go without needing plates/knives etc.
Policy highlights and procedures regarding the Igloo reservation process can be found on the first page. It is now your responsibility to read the complete policies as detailed on http://pfoho.harvard.edu/Parties, and reach out to the Office of the Allston Burr Resident Dean of Pforzheimer House if you have questions.
