Harvard Summer School Courses for Credit
This is a reminder that only some of the courses offered at Harvard Summer School count for degree credit. That list of courses can be found here: Summer School 2021 - Courses for Harvard College Credit. Additionally, there is a ton of information about HSS that has been specifically curated for College Students. That can be found on the HSS website here: HSS Harvard College Overview. Please be sure to read that information thoroughly if you are planning to register for HSS courses.

Remote Learning Privacy Policy:
Please note that the Committee on Undergraduate Educational Policy (EPC) passed a policy this year stating that students cannot post/make public class videos without faculty permission. Here is a link to that privacy policy. This rule protects everyone's privacy and makes sure that the classroom is a place where students can focus on learning. It is also an important issue of equity as we need course materials recorded to make sure that all students (especially those at a distance from the East Coast) can learn. Please let me (Monique) know if you have any questions about this policy.

Other Emergency Student Handbook Policy Updates 2020-21:
Due to the COVID-19 pandemic, the Committee on Undergraduate Educational Policy (EPC) has been making updates to certain Handbook policies. https://handbook.fas.harvard.edu/book/covid-19-emergency-policies. Extension of Time Policy - Spring 2021  
Exam Policy - Fall/Spring 2020-2021

**From your Community Health Lead, Kate Leach, katherineleach@g.harvard.edu:**
**Vaccine Information**
Dr. Nguyen, the Executive Director of Harvard University Health Services, sent an email on 3/29/2021 about Vaccines and our COVID protocols. Here are some of the highlights:

- People ages 16+ will be eligible for the vaccine starting **April 19th**. You can pre-register for appointments at state-run sites [here](#).
- If you already received the vaccine, let HUHS know by uploading a picture of your completed COVID vaccination card to your patient portal or email the picture HUHS at mrecords@huhs.harvard.edu. It’s also recommended to take a picture of your card in case something happens to it.
- Even after you have been fully vaccinated, you are still expected to: wear a mask at all times when you’re outside of your room/suite, practice physical distancing, attest daily on Crimson Clear, and participate fully in the University COVID testing program that applies to you.

**Quad Lawn Etiquette - Friendly Reminders**
I just wanted to take some time to remind you all about the outdoor gathering rules. We do a really great job on this for the most part, but remember:

- If you’re meeting with friends outside, you can be in a group of up to ten people, but make sure you’re six feet apart. If you’re eating or drinking, your group should be no larger than four people
- You should still wear your masks when outside (it’s a campus policy and also a city policy). If you’re eating or drinking, please put your mask back up as soon as you are done.

Join us for Please Stop Talking Table, the table where we just want everyone to hush up and work. What's that? You need to pop out to grab lunch in the middle of it? We don't mind if you don't announce it. Yes, cameras are welcome- I'll have mine pointed out at Pfoho's gate. Yes, you can leave your mic on, but if you talk more than a polite greeting or departure, the mute hammer will fall.

**This Week's Tables & Office Hours:**

Research & Writing Table with Peter – Tuesday, 4/20, 6:30-7:30pm
Zoom Link: [https://harvard.zoom.us/j/96682206300?pwd=U2VSbHIUSDNLdzRpSIFDQ1IUEjZz09](https://harvard.zoom.us/j/96682206300?pwd=U2VSbHIUSDNLdzRpSIFDQ1IUEjZz09)
Please join Peter for this week's session of Unblocked: Research and Writing Table. Writing and research can be stressful, but the writing team is enthusiastically here to help you!. Here are some of the topics/challenges you can bring:
~ Getting started on a paper or essay ~ proofreading ~ feedback on structure, content, etc. ~ outlining papers ~ general motivation and accountability ~ inspiration ~ contacting a non-responsive professor ~ finding a research project or opportunity that's right for you.
There's no need to submit anything beforehand: just drop by with questions, an outline, or a draft. Even if you don't have anything written yet, feel free to stop in; getting started can be the biggest hurdle of all, and we're here to help with that too.

Tech Table with Keith and Elaine
Will be suspended just this week, so we can attend the Senior Theses Pforum! Join us!!
